

## OUR COMPANY

### Executive Overview:

Vivus Software has a proven track record in providing comprehensive IT services to mid-market firms, Fortune 1000 companies, and public institutions in Virginia. We are a certified Small business, growing each year since 2003. Our offices are located in Central Virginia, a close commute to both Charlottesville and Richmond.

### Services:

Vivus offers five core human capital management services:

- **Direct Hire** starting at a 20% placement fee. This fee is based on the candidate's first year salary and is guaranteed for 90 days.
- **Contract-to-hire** allows you to contract IT professionals with the option to permanently hire them. After six months of contracting, no placement fee is required.
- **Staff Augmentation** provides candidates to you hourly, for an unlimited time, or the duration of your project.
- **Managed Augmentation** onsite, remote, or offshore consultants managed by our trained project managers.
- **Project-based Outsourcing** using agile methodologies. A solution designed, developed, and implemented by consultants at Vivus.

Comprehensive IT Outsourcing.
